Curriculum Vitae

Michael John L. Sullivan, Ph.D.
Professor, Department of Psychology
Canada Research Chair in Behavioural Health
McGill University

Cross appointments: Medicine, Neurology and Neurosurgery, Physical and Occupational Therapy.

Mailing Address:

Department of Psychology
McGill University
2001 McGill College, Room 1406
Montreal, Quebec
Canada
H3A 1G1

Educational History

Ph.D. (1988). Concordia University, Montreal, Quebec
Specialty: Clinical Psychology

M.A. (1983). Concordia University, Montreal, Quebec
Specialty: Clinical Psychology

B.A. (1981). McGill University, Montreal, Quebec
Specialty: Psychology (Honours)

Overview

Academic Experience:

Professor of Psychology, McGill University	2006 – present
Honorary Professor, Faculty of Health and Behavioural Sciences, University of Queensland	2016 – 2019
Adjunct Professor of Psychology, Université de Montréal	2006 – 2012
Professor of Psychology, Université de Montréal	2004 – 2006
Associate Professor of Psychology, Université de Montréal	2002 – 2004
Associate Professor of Psychology, Dalhousie University	1995 – 2002
Assistant Professor of Psychology, Dalhousie University	1990 – 1995
Sessional Instructor, Psychology, Carleton University	1988 – 1990
Sessional Instructor, Psychology, University of Ottawa	1987 – 1988

Clinical Experience

Psychologist, Atlantic Pain Clinic	1997 – 2002
Psychologist, Fenwick Psychological Services	1994 – 2002
Psychologist, The Rehabilitation Centre, Ottawa	1987 – 1990
Psychometrist, The Rehabilitation Centre, Ottawa	1986 – 1987
Pre-Doctoral Intern, The Rehabilitation Centre, Ottawa	1985 – 1986
Psychology Intern, Applied Psychology Centre, Montreal	1982 – 1984
Psychology Intern, Douglas Hospital, Montreal	1983 – 1983

Domain of Clinical Expertise

My clinical involvement has included assessment, intervention, and consultation with insurers and legal professionals concerning the management of pain-related disability. My clinical practice has also focused on occupational injury, pain management, trauma, depression, stress-related disorders and marital therapy.

Administrative Experience

Internship Director, Department of Psychology, McGill University	2019 – present
Director of Clinical Training, Department of Psychology McGill University	2018 – 2019
Internship Director, Department of Psychology, McGill University	2008 – 2018
Director, Recover Injury Research Centre, The University of Queensland	2016 – 2017
Chair, Subcommittee on Research and Knowledge Exchange: McGill University Health Centre RUISS	2010 – 2012
Chair, Pain, and Movement - Special Interest Group of the International Association for the Study of Pain	2005 – 2008
Responsible de l'axe: perception et communication du Centre de recherche interdisciplinaire en réadaptation du Montréal métropolitain (CRIR)	2005 – 2007
Coordinator of Clinical PhD Program, Dalhousie University	1998 – 2002
Director of Clinical Services, Atlantic Pain Clinic	1997 – 2000
Director, Fenwick Psychological Services	1992 – 2000

Federal Funding Adjudication Experience

Member, CIHR College of Reviewers	2017 – present
Member, CIHR Salary Awards 'A'	2009 – 2015
Chair, CIHR Salary Awards 'A'	2003 – 2004
Member, CIHR: PSB Adjudication Committee	2000 – 2009
Member, NHRDP: Adjudication Committee	1998 – 2000
Member, SSHRC: Adjudication Committee	1997 – 2002

Editorial Board Functions

Associate editor: Journal of Occupational Rehabilitation	2008 – present
Member, Editorial Board: Pain Medicine	2008 – 2013
Associate editor; Pain	2005 – 2009

Journal Ad Hoc Reviews

Pain (1997 -); Pain Medicine (2008 -); Anesthesiology (2004 -); Journal of Pain (2003 -) European Journal of Pain (2003 -); The Journal of Pain (2004 -); Pain Research and Management (2000 -); Clinical Journal of Pain (1998 -)

Research/Consultant Positions

Consultant 2015 – 2018
State of Washington Department of Labor & Industries
Tumwater, WA

Consultant 2011 – 2013
Veteran's Affairs Canada
Montreal, QC

Consultant 2010 – 2012
Group Health Research Institute
Prediction of Chronic Back Pain Planning Study
Seattle, WA

Consultant – Disability Management 2006 – 2015
MDRC - social policy research – disability management
New York, NY

Associate Member 2006 – 2018
Research Institute McGill University Health Centre

Medical Scientist 2006 – 2016
McGill University Health Centre

Consultant – Psychological Services 2002 – 2012
Commission de la santé et de la sécurité du travail (CSST)
(Province of Quebec Occupational Injury Insurer)

Chercheur régulier 2002 – present
Centre de recherche interdisciplinaire en
réadaptation du Montréal métropolitain (CRIR)

Distinctions

Award for Distinguished Contributions to Psychology as a Profession 2011
Canadian Psychological Association

Canada Research Chair in Behavioural Health 2017 – 2024
CIHR 2007 – 2016
2002 – 2007

Career Investigator Award 2000 – 2005
CIHR/SSHRC/NHRDP

Submitted Refereed Papers

(names of trainees are underlined)

Yamada, K., Adams, H., Ellis, T., Clark, R., Sully, C., Lariviere, C., **Sullivan, M.J.L.** Support for a bi-directional relation between pain and fatigue in individuals being treated for musculoskeletal pain. *Submitted.*

Research Grants Awarded

(Principal Investigator)

Institut de recherche Robert-Sauvé en santé et en sécurité du travail (IRSST), 2018 – 2021
Sullivan, M.J.L., Truchon, M., Cote, P., Achille, M.
Emergence of Perceived Injustice Following Musculoskeletal Injury, $328,234.00.

Canada Research Chairs, 2017 - 2024
Sullivan, M.J.L.
The Psychology of Pain and Disability
$1,400,000.00

Motor Accident Insurance Commission (MAIC), Queensland, AU. 2015 – 2017.
Sullivan, M.J.L., Kenardy, J., Connelly, L., Sterling, M., Zeeman, H.
Recover Injury Research Centre Core Funding
$5,156,000.00

Institut de recherche Robert-Sauvé en santé et en sécurité du travail (IRSST), 2016 – 2018
Sullivan, M.J.L., Wideman, T., Thomas, A.
Development and Preliminary Testing of a Risk-Factor Targeted Intervention to Promote Successful Occupational Re-Integration in Work-Injured Individuals with Co-Morbid Pain and Depression, $250,000.00.

Canada Research Chairs, 2014 - 2016
Sullivan, M.J.L.
The Psychology of Pain and Disability
$400,000.00

Canadian Institutes of Health Research (CIHR), 2013 – 2016
Sullivan, M.J.L., Lariviere, C., Rainville, P.
The Role of Pain Summation in the Prediction of Poor Rehabilitation Outcomes in Individuals with Whiplash Injuries. $300,021.00.

Canadian Institutes of Health Research (CIHR), 2012 – 2015
Sullivan, M.J.L., Dunbar, M., Stanish, W.D., Tanzer, M.
Development and Preliminary Testing of a Risk-Factor Targeted Intervention to Promote Successful Recovery Following Total Knee Arthroplasty, $307,000.00

Louise and Alan Edwards Pain Research Foundation (2011 – 2012)
Sullivan, M.J.L., Lariviere, C., Comtois, A., Rainville, P.
Psychological and Neurophysiological Determinants of Repetition-Induced Summation of Pain in Patients with Whiplash Injuries, $49,780.00.

Canadian Institutes of Health Research (CIHR), 2010 – 2013.
Sullivan, M.J.L., Dunbar, M., Stanish, W.D., Tanzer, M.
Determinants of Physical and Psychological Health Decline While Waiting for Joint Replacement Surgery, $247,000.00.

Canadian Institutes of Health Research (CIHR), 2010 – 2011.
Sullivan, M.J.L., Dunbar, M., Stanish, W.D., Tanzer, M.
Determinants of Health and Mental Health Decline While Waiting for Joint Replacement Surgery, $100,000.00.

Social Sciences and Humanities Research Council of Canada, 2009 – 2011

Sullivan, M.J.L.
Catastrophizing, Pain Behaviour and Disability: The Role of Communication Goals, $93,500.00

Canadian Institutes of Health Research (CIHR), 2008 – 2009
Sullivan, M.J.L., Dunbar, M., Stanish, W.D., Tanzer, M.
Psychological Determinants of Accelerated Health Decline while Waiting for Joint Replacement Surgery, $100,000.00

Canadian Institutes of Health Research (CIHR), 2007 – 2010
Sullivan, M.J.L., Lariviere, C., Simmonds, M.
The Relation between Depression and Disability in Individuals with Whiplash Injuries, $298,000.00

Institut de recherche Robert-Sauvé en santé et en sécurité du travail (IRSST), 2006 – 2009
Sullivan, M.J.L., Simmonds, M., Velly, A.
The Relation between Depressive Symptoms and Poor Rehabilitation Outcome
for Work-Related Musculoskeletal Injuries, $189,000.00

Fonds de recherche en santé du Québec, 2006 – 2009
Sullivan, M.J.L., Simonds, M., Velly, A.
Psychological Prognostic Factors for Poor Treatment Response in the Rehabilitation of Whiplash Injury, $147,148.00

Social Sciences and Humanities Research Council of Canada, 2006 – 2009
Sullivan, M.J.L.
Pain Catastrophizing and Pain Behaviour: The Role of Social Problem Solving and Communication Strategies, $98,000.00

Canadian Institutes of Health Research, 2006 – 2011
Sullivan, M.J.L., Stanish, W., Dunbar, M., Tanzer, M., Simmonds, M., Velly, A.
Psychological Predictors of Prolonged Pain and Disability Following Total Knee Arthroplasty, $345,000.00

Canadian Institutes of Health Research, 2004 – 2007
Sullivan, M.J.L., Loisel, P., Durand, M.J.
Cognitive Correlates of Pain Behaviour in Chronic Pain: $220,000.00

Social Sciences and Humanities Research Council of Canada, 2003 – 2006
Sullivan, M.J.L.
The Communicative Dimensions of Pain Behaviour, $116,000.00.

Société de l'assurance automobile du Québec (SAAQ), 2003 - 2004.
Sullivan, M.J.L.
Programmation de services de réadaptation des blessures de tissus mous suite aux entorses cervicales. $78,000.00.

Canadian Institutes of Health Research, 2002 – 2005
Sullivan, M.J.L., Stanish, W.
The Psychology of Pain and Disability Following Occupational Injury, $225,000.00.

Canadian Institutes of Health Research, 2000 – 2005
Sullivan, M.J.L.
Development of a Community-Based Intervention for the Management of
Persistent Pain Disorders, $285,000.00.

Social Sciences and Humanities Research Council of Canada, 2000 – 2003
Sullivan, M.J.L.
The Psychology of Pain and Disability, $94,000.00.

Social Sciences and Humanities Research Council, 1997 – 2000
Sullivan, M.J.L.
The Psychology of Pain Perception, $60,000.00.

Human Resources Development Canada, 1994 – 1995
Sullivan, M.J.L.
Consumer Involvement in Health Policy Planning in Nova Scotia, $38,000.00.

Social Sciences and Humanities Research Council of Canada, 1993 – 1997
Sullivan, M.J.L.
Depression and Social Information Processing, $72,000.00.

Health and Welfare Canada, 1992-1993
Sullivan, M.J.L.
Out-Reach Rehabilitation in Canada, $24,000.00.

Social Sciences and Humanities Research Council of Canada, 1991 – 1993
Sullivan, M.J.L.
Depression and Social Information Processing, $30,000.00.

Dalhousie Research Development Fund, 1991 – 1992
Sullivan, M.J.L.
Affective Processes in Social Perception, $9,000.00.
Royal Ottawa Health Care Group Foundation, 1989 – 1993
Sullivan, M.J.L.
Adaptation to Disability, $60,000.00.

Research Grants Awarded
(Co-Investigator)

Determining the clinical value and underlying processes associated with new measures of Sensitivity to Physical Activity for people with work-related back pain.
Wideman, TH; MacDermid, J; Martel, MO; Miller, J; Nijs, J; **Sullivan, M**; Verbunt, J; Walton, D.

Completed: PhD 2017

Student: Whitney Scott
Completed: PhD 2014

Student: Timothy Wideman
Completed: PhD 2012

Student: Marc-Olivier Martel
Completed: PhD 2012
Student: Nathalie Gauthier
Completed: PhD 2010

Student: Isabelle Tremblay
Completed: PhD 2009

Student: Nadine Rossy
Completed: PhD 2002

Student: Judith Francis
Completed: PhD 2000

Student: April D'Aloisio
Completed: PhD 1999

Student: Dean Tripp
Completed: PhD 1998

Student: Scott Bishop
Completed: PhD 1997

Student: Jane Pivik
Completed: MA 1996

Post Graduate Supervision

Fellow: Keiko Yamada, MD, PhD
Completed: Ongoing

Fellow: Zina Trost, PhD
Completed: Post-doctoral fellowship, September 2012

Fellow: Heather Butler, PhD
Completed: Post-doctoral fellowship, September, 2009

Fellow: Pascal Thibault, PhD
